WAYS TO

Romance Your Lady

Women love to be romanced and treated special.
But let's face it, sometimes we fall short in making
her feel exceptional.

With a little effort, you can make the special woman
in *your* life feel like the most important person in the
world.

These simple tips are sure to strengthen your
relationship and leave her smiling all day!

1. KISS HER DELICATELY.

Women love to be kissed. Kiss her when you say hello and when you say goodbye. But be gentle!

2. CARESS HER GENTLY.

Hold her hand and kiss it. Touch her shoulder. Let her feel your love.

3. BE A GENTLEMAN.

Open the door for her, pull out her chair, drop her off at the door when it's raining. You know all those things your mother taught you? Do them.

4. WRITE A SONG FOR HER.

Tell her how much you care and what she means to you. It can be silly or serious. She'll love it either way.

5. TURN OFF THE TV OR RADIO.

When you're with her, give her your *undivided* attention.

6. SERENADE HER.

Even if you can't carry a tune in a bucket, try singing a song to her.

7. SURPRISE HER.

Send her flowers at work. Bring a special treat home from the office. Take her out to a special restaurant that she's been wanting to visit for a long time.

8. SHARE A BATH OR A SHOWER TOGETHER.

Add music and candles to set the mood.

9. GO FOR A WALK TOGETHER.

Take her on a stroll through the park, in a flower conservatory, or along the beach.

10. DEDICATE A SONG ON THE RADIO TO HER.

Call her favorite radio station and ask them to play *your* song for her.

11. LEAVE LITTLE NOTES LETTING HER KNOW YOU'RE THINKING ABOUT HER.

Let her find a note under her pillow or on her car window telling her you appreciate her.

12. TAKE HER TO A MOVIE.

Pick a chick flick that you know she wants to see. Watch her and eat popcorn if you don't care for the show.

13. GIVE HER A BOOK OF “LOVE COUPONS.”

Include things like breakfast in bed, a night of cuddling, and a girl's night out. Be sure to include things she likes and even some you'd rather not do, like taking dance lessons.

14. SEND A BIRTHDAY CARD IN THE MAIL.

She'll love the fact that you remembered and it'll be a nice surprise. Of course, this is above and beyond the usual gift you give her in-person.

15. TAKE HER ON A PICNIC.

Pick her up at the office for lunch and whisk her away. Be sure to bring one red rose, which means “I love you.”

16. TAKE HER ON A WEEKEND GETAWAY.

Drive to a nearby bed and breakfast and spend the weekend.

17. SPEND THE MORNING IN BED.

Wake up early and serve her favorite breakfast in bed, then give her a massage.

18. WRITE HER A POEM.

List all the things you love about her and hand write it.

**19. MAKE A CD OF HER FAVORITE
SONGS OR ADD THEM TO HER IPOD.**

If she doesn't have an iPod, buy her one.

20. TAKE HER CAR IN TO BE INSPECTED.

Have the tires changed and the oil checked. Or, if you know how to do it, do it for her.

21. FIX SOMETHING THAT NEEDS TO BE FIXED.

It may be her car, an appliance, the bathroom sink, or anything else she'd love to see working again.

22. CARRY HER.

Literally sweep her off her feet or give her a piggy back ride. You'll both enjoy it.

23. PLAN A SURPRISE BIRTHDAY PARTY FOR HER.

Invite all her friends and family. Get a big cake. Hang streamers and balloons. Even play some games!

24. MAKE A VIDEO ABOUT HER.

Tell her why she's special and why you love her. Interview her parents, friends, co-workers and anyone close to her.

25. GIVE HER A SCRAPBOOK.

It doesn't have to be extravagant. She'll love the effort it took for you to put it together.

There really isn't a big mystery to what women want. They want to be loved, honored, respected, and appreciated.

Romance the woman in your life by treating her like a jewel and pay careful attention to the details. Treat her special and you'll never have a problem in the romance department!
